### {Students}

I had about fifteen students which prepared and obtained a phd Thesis under my direction. Most of them have a good position in university or high schools when they have the famous "agregation of Mathematics", a french speciality .

Let us cite :

Thierry Astruc, ancient student of the Ecole Normale Supérieure de Cachan, now Maître de conférence à l'université du var.

Patrick Courilleau, ancient student of the Ecole Normale Supérieure de Cachan, then Maître de conférence à l'université de Cergy Pontoise, and now attached to the ministère of national education.

Melissa Motron now Professeur de Lycée in "classes Préparatoires aux Grandes Écoles

Jérôme Wigniolle now Professeur de Lycée in "classes Préparatoires aux Grandes Écoles

Bruno Nazaret, student of l'ENS cachan,  
next maître de conférence à Paris Dauphine, now Professor at Paris V Sorbonne
