- Principali mansioni e responsabilità

DA MAGGIO 1993 A GIUGNO 1997

Ministero della Sanità (Direzione Generale Servizi Veterinari)

Divisione controlli sanitari

Collaboratore statistico

Piani di campionamento e controllo delle importazioni; analisi dei dati

DA GIUGNO 1997 A DICEMBRE 2005

ISPESL (Istituto Superiore per la Prevenzione e la Sicurezza del Lavoro)

Dipartimento di medicina del lavoro, laboratorio di epidemiologia

Ricercatore (professionalità statistica)

Ricerca sulla salute e sicurezza nei luoghi di lavoro e sorveglianza epidemiologica

DA GENNAIO 2006 AD OGGI

ISPESL (Istituto Superiore per la Prevenzione e la Sicurezza del Lavoro) fino a maggio 2010

INAIL (Istituto per l'Assicurazione contro gli Infortuni sul Lavoro) da maggio 2010

Dipartimento di medicina del lavoro, laboratorio di epidemiologia fino a settembre 2014

Dipartimento di medicina, epidemiologia, igiene del lavoro e ambientale da settembre 2014

Primo Ricercatore (professionalità statistica)

Ricerca sulla salute e sicurezza nei luoghi di lavoro e sorveglianza epidemiologica

Responsabile del Registro Nazionale dei Mesoteliomi

Responsabile del Registro Nazionale dei Tumori Naso-Sinusali (dal 2008)

DA LUGLIO 2015 AD OGGI

Responsabile del Laboratorio di Epidemiologia Occupazionale e Ambientale del Dipartimento di Medicina, Epidemiologia, Igiene del Lavoro e Ambientale dell'INAIL

ISTRUZIONE E FORMAZIONE

- Date (da – a)
- Nome e tipo di istituto di istruzione o formazione
 - Principali materie / abilità professionali oggetto dello studio

Marzo 1992
 Università “La Sapienza” di Roma
 Laurea in Scienze Statistiche ed Economiche

- Date (da – a)
- Nome e tipo di istituto di istruzione o formazione
 - Principali materie / abilità professionali oggetto dello studio

Ottobre 1992
 Università “La Sapienza” di Roma
 Esame di Stato ed Abilitazione alla professione di discipline statistiche

- Date (da – a)
- Nome e tipo di istituto di istruzione o formazione
 - Principali materie / abilità professionali oggetto dello studio

Marzo 1996
 Università “La Sapienza” di Roma
 Specializzazione in ricerca operativa e strategie di decisione

- Date (da – a)
- Nome e tipo di istituto di istruzione o formazione
 - Principali materie / abilità professionali oggetto dello studio

Da 2001 a 2003
 Università “La Sapienza” di Roma
 Professore a contratto di “Statistica medica” per la Facoltà di Medicina e chirurgia, laurea triennale in Terapista occupazionale

- Date (da – a)
- Nome e tipo di istituto di istruzione o formazione
 - Principali materie / abilità professionali oggetto dello studio

Da 2001 a 2007
 Università “La Sapienza” di Roma
 Professore a contratto di “Statistica medica” per la Facoltà di Medicina e chirurgia, laurea triennale in Tecniche di neurofisiopatologia

RISULTATI E INDICATORI DI RICERCA

Ha pubblicato oltre 150 lavori sulla letteratura internazionale peer reviewed (periodo 2001-2018).

- Impact factor > 250
- H index (Scopus) = 25; (Google scholar) = 33
- Citation index (Scopus) > 2100; (Google Scholar) > 2900

E' stato relatore oltre 100 volte nell'ambito di eventi nazionali ed internazionali.

Ha condotto come “principal investigator” numerosi progetti di ricerca a carattere nazionale ed internazionale. Ha tenuto le lectio magistralis di apertura della II e III Consensus Conference sul mesotelioma maligno. E' stato revisore e componente del board di numerose riviste.

Nell'ottobre 2017 è stato nominato Fellow del Collegium Ramazzini. Dal settembre 2019 è in possesso dell'Abilitazione scientifica nazionale per le funzioni di Professore Associato per il settore “Medicina legale e del lavoro”.

CAPACITÀ E COMPETENZE

TECNICHE

Con computer, attrezzature specifiche, macchinari, ecc.

Conosce gli strumenti software di analisi dei dati.

ALLEGATI

ALLEGATO 1. Articoli pubblicati su riviste soggetti a peer review.
