Act N. 101/2019

Prot. n. 770 del 27/05/2019

As a result of the selection of students on mobility for study purposes A.A. 2019/2020, there are still places available to be assigned. Considering the opportunity to proceed with the allocation of the remaining seats, the terms of the selection of the call are reopened in which the clauses indicated in it are confirmed. It should be noted that mobility in the first semester is not guaranteed.

ART. 1 GENERAL INFORMATION

ART. 1.1 OBJECTIVES

The Erasmus+ programme for study allows university students to increase educational opportunities aimed at acquiring the necessary skills to favour their transition to the labour market. To this purpose Erasmus+ provides students with the opportunity to study abroad up to a maximum of 12 months for each cycle of study and 24 months for single-cycle study programmes, regardless of the number of mobility periods (i.e.: 2 periods of 6 months or 3 periods of 4 months).

Students selected for a mobility period in one of the countries participating in the Erasmus Programme obtain the “Erasmus Student” status that comes with rights and duties, as established by the [Erasmus Student Charter](#).

Erasmus students receive a grant and have the right to attend courses and use the available structures without further registration fees (in some cases small contributions might be requested to local students). All activities conducted abroad (with a positive outcome) will be fully recognized as long as they are previously approved by the Learning Agreement/Change Form.

Full recognition of activities carried out abroad is one of the commitments undertaken by Sapienza University of Rome with the approval of the Erasmus Policy Statement (EPS) and the "[Regulation for Student Mobility and Recognition of Study and Training Periods Abroad](#)."

ART.1.2 PARTICIPATING COUNTRIES

For the Academic Year 2019-20, students may participate in the Erasmus+ Programme for Study at universities in the European Union member states and other participating countries (Programme Countries).

The full list of possible destination countries is listed below:

Member States of the European Union: Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden and United Kingdom.

EFTA/EEA Countries: Iceland, Liechtenstein and Norway;

EU candidate countries: Turkey former Yugoslav Republic of Macedonia, Serbia.

ART. 1.3 MOBILITY TO SWITZERLAND

Switzerland does not take part in the Erasmus+ Programme under the same terms as Programme and Partner Countries; therefore, it **does not receive any EU funding** either for incoming or outgoing mobilities.

In order to guarantee existing mobility and cooperation, the Swiss Federal Council has developed a transitional solution, the so-called *Swiss European Mobility Programme* (SEMP). Under this programme, Swiss Universities finance the mobility of all incoming and outgoing students following the signature of specific agreements (see Art. 3.6 “Grant”).

Students applying to Swiss universities must meet all the requirements described in this call (see Art. 2. *Requirements and Application Procedures, Language Requirements, Selection Procedures and Incompatibility*).

ART. 1.4 STRUCTURED MOBILITY FOR A DOUBLE DEGREE

Double and Joint Degree Programmes allow students to study abroad and attend courses that will lead to both an Italian and foreign degree of the same level. Further information is available at: <https://www.uniroma1.it/it/pagina/doppia-laurea-e-titoli-congiunti>.

Admission requirements, which are established by agreements, vary based on country, academic year and academic requisites. Moreover, the agreements regulate the length of the mobility period, the study programme and the recognition of academic activities carried out abroad, as well as the number of available places.

- LM Filosofia e storia della filosofia - Friedrich Schiller Universität Jena
- LM Scienze della traduzione – Bielefeld Universität
- LM Filologia moderna - Paris-Sorbonne Université
- LM Storia medievale e moderna - Université de Provence Aix Marseille I
- LM Discipline demo-etno antropologiche - University of Sofia "St Kliment Ohridski"

Article 4 provides a detailed list of all the degree programmes and destinations that include agreements for double degrees, along with participation requisites.

ART. 2 REQUIREMENTS AND APPLICATION PROCEDURE

ART. 2.1 GENERAL ADMISSION REQUIREMENTS

In order to apply for this call:

1. Students must be **enrolled** (including part-time students) at Sapienza for the **Academic Year 2018-19** in a Bachelor, Master, Single-cycle or PhD degree programme, or Specialization Schools, regardless of their citizenship;

In case of Specialization Programmes, the payment of the Erasmus grant is subject to the compatibility of the specialization contract with Erasmus grants. Incompatibility still allows the participation in the programme, but the student will not receive any grant for the mobility period.

2. Students must have **adequate language skills** (see Art. 2.3.2 “Language Requirements”)

3. Students must have completed their enrolment at Sapienza University for the Academic Year 2019-20 by the established deadlines (further information available at: <https://www.uniroma1.it/it/pagina-strutturale/studenti> “University Tuition”).

4. Students enrolled in the third (or subsequent) year of a Bachelors Degree (first cycle) in the Academic Year 2018-19, who expect to graduate by the end of the academic year, may apply for a mobility period for the first year of their Masters Degree (second cycle). However, the mobility period **must take place in the second semester** of the Academic Year 2019-20. **Before leaving, the students selected under these conditions must be enrolled in a Masters Programme for the Academic Year 2019-20. Moreover, under any circumstances may these students enjoy their mobility period during the first semester, even if approved by the host university.** Students who apply for mobility periods which longer than one semester will not receive any additional grant.

5. **Students on mobility programmes may not graduate before the end of their period of their study abroad and before the recognition of the academic activities completed abroad by the Academic Coordinator of the Mobility Period (RAM).**

6. Students enrolled in PhD Programmes must end their mobility period before the official end of the Doctoral Programme.

7. Specialisation school students must check with their School if they are eligible for a study period abroad under this call.

ART. 2.2 INCOMPATIBILITY

Incompatibilities concern both grants and the Erasmus student “status”.

Students applying for this call may receive one or more Erasmus+ mobility grants for each study cycle (Bachelor, Master, PhD) provided the total period does not exceed 12 months for each cycle.

For one-cycle degrees the maximum is 24 months.

1. Students applying for this call may receive one or more Erasmus+ mobility grants for each study cycle (Bachelor, Master, PhD) provided the total period does not exceed 12 months for each cycle. For single-cycle degrees (i.e. EU Architecture), the limit is 24 months. This requirement does not apply to mobility periods in Switzerland, which are regulated by the Swiss-European Mobility Programme (SEMP).

2. Prior mobility periods that have already been funded during the same study cycle under Lifelong Learning Programme, Erasmus+, Erasmus Mundus Action 1 and Erasmus Mundus Action 2 are included in the calculation of the total number of months spent abroad.

ART. 2.3. REQUISITES

ART. 2.3.1 ACADEMIC REQUISITES

Eligible candidates for this call must satisfy the following academic requisites:

1. For first-cycle degree courses (LT), second-cycle degree courses (LM and former LS): the number of CFU must be no less than 1/5 of those that can be acquired by the candidates by the deadline of the call or must be at least 6.
2. For graduate schools, students must have acquired at least 5 credits by July 31st, 2019.

All credits acquired as of the application submission which are registered on Infostud will be accepted for the selection process.

Students are allowed to integrate exams that have not been officially registered with self-certifications (see Art. 6 “Application”).

It should be noted that students who have not previously applied for a place on the list may apply, as well as students who have not previously applied for a place on the list, students who have not been admitted because of formal defects in their application, students who have been unsuitable for the tests, students who have not been admitted after the selections, and eligible students who have not been assigned a place on the list. It follows that students already usefully placed in the ranking and therefore resulting in assignees of the headquarters, will not be able to apply again to change destination.

ART. 2.3.2 LANGUAGE REQUIREMENTS

Students applying for the Erasmus+ 2019-20 call must have a minimum **B1** language level of the Common European Framework of Reference (CEFR; <https://europass.cedefop.europa.eu/it/resources/european-language-levels-cefr>).

If the application is successful, then the student will have to provide proof of his/her own **minimum language level (or the one required by the host university)** either by means of a **language certificate** (IELTS, DELF, PLE, etc.) or by taking a test at **Sapienza Language Centre – Centro Linguistico di Ateneo** (see below). **Students must ascertain the requirements established by their host university for an Erasmus+ mobility period, as described in Art. 4.**

If a candidate does not have any of the aforementioned certificates, he/she will have to provide a self-certification for his/her language level. **Students providing self-certifications will be assessed through a test** during the selection procedure for the following languages: English, French, Portuguese,

Spanish and German which will take place in the period immediately following the closure of the call, at the Centro Linguistico di Ateneo (CLA), Building "Marco Polo", Circonvallazione Tiburtina 4 (ex Scalo San Lorenzo 82), 00185, Rome, Plan 0, Workshops 4, 5, 6 and 7 (here the link to the map: <https://goo.gl/maps/wBF9gMApXjcjZUhp7>) according to the following calendar:

turni (ORE)	Monday June 17	Tuesday June 18	Wednesday June 19	Thursday June 20	Friday June 21
09:30	TEDESCO (dalla A alla Z)	FRANCESE (dalla A alla Z)	SPAGNOLO (dalla I alla Q)	INGLESE (dalla A alla H)	INGLESE (dalla R alla Z)
14:00	PORTOGHESE (dalla A alla Z)	SPAGNOLO (dalla A alla H)	SPAGNOLO (dalla R alla Z)	INGLESE (dalla I alla Q)	

The convocation according to the present calendar has the value of a notification to all effects and no other communication will be sent to the candidates.

Candidates must therefore present themselves at the CLA on the date and time of the invitation to take the test in the languages indicated in the application form. They must carry with them a valid identity document (identity card, driver's license, passport), as well as their credentials for access to Infostud. It is essential to adhere to the invitation calendar, because no exceptions will be allowed and there will be no recovery sessions.

The test will consist of a computer test from level A2 to level C1 and will last a maximum of 60 (sixty) minutes. The test starts at level A2; depending on the score obtained, candidates may move to B1, then to B2 (if they pass B1) and C1 (if they pass B2). The tests, for each level, will be prepared in accordance with the rules of the Common European Framework of Reference for Languages (CEFR).

The test results will be used to determine the student's final ranking.

Students can take tests for a **maximum of two languages and no more than once for each language**. Students can choose which language test to take for the host universities in countries that accept two languages. This is without prejudice to the fact that the candidate in possession of a suitable linguistic assessment regarding the main language of instruction or "first language of instruction" of the place/s of interest will be privileged (The assessment of the "Second language of instruction" will only be accepted in case there are no other candidates with "first language of instruction" for relevant place of study).

If the **test score is inferior to the minimum level required** by the host university, the **candidate will not be considered eligible**. Students may not take the test again.

Please Note: self-certifications must declare and reflect the real language level of the candidate. We recommend you verify this through the many free language tests that are available on-line.

If the level demonstrated by the test is equal to or higher than the level required to access the selection, **but lower than that required by the host university, the student will be required to follow the foreign language course at the CLA in order to reach the level provided**. The student is responsible for achieving the language requirement required by the host institution before departure.

If the test score is equal to or higher than the level required by the call selection process, but **inferior to the minimum level required by the host university, the student will have to attend a language course at Sapienza Language Centre – Centro Linguistico di Ateneo in order to reach the required language skills**. In any case, the student is responsible for reaching the language level required by the host university before the departure.

An example: most Dutch universities require a TOEFL Certificate, whereas British universities require an IELTS Certificate. Erasmus+ students must provide these certificates together with the other documents required by these universities before the departure. Students who are assigned a mobility period at one of these universities must possess the above-mentioned certificates within the deadlines indicated by the foreign universities.

ART. 2.3.3 EXEMPTION FROM LANGUAGE TESTS

Students who meet one of the following conditions are exempted from language tests:

Students with an official certificate issued by one of the language centres recognised by the Common European Framework of Reference for Languages (CEFR) and integrated by a language certificate for the Portuguese language (Attachment 3).

Students enrolled in degree programmes held in English. These students will have to present a valid certificate (or take the test) if they apply for a university that does not require English as the language.

Students enrolled only in degree courses in Languages, who have taken language exams (see table of correspondence with linguistic levels at the link http://www.lettere.uniroma1.it/sites/default/files/allegati/Corr.%20CEFR_0.pdf).

Students who have completed their maturity at an international school **with the issue of a level certificate**. These students must, however, submit appropriate certification (or support their language assessment) if they intend to submit their application for an institution that provides a language other than the official language of the international school and will have to support the assessment of their level if different from the one required by the Partner Institution.

ART. 2.3.4 OTHER REQUISITES

- This announcement is open to students enrolled in the following inter-faculty courses, exclusively for the disciplines of the educational offer at the Faculty of Arts and Humanities:
 - First-cycle Degree Course in "Fashion and Costume Sciences"
 - Master's Degree Course in "Sciences of Fashion"

- First-cycle Degree in "Geographical Sciences for Environment and Health
- This call for applications is not open to students enrolled in other faculties.
- This call for applications is open to students enrolled in one of the PhD courses at the Departments of the Faculty of Literature and Philosophy.
- - This announcement is open to students enrolled in one of the Specialization Schools belonging to the Departments of the Faculty of Arts and Humanities.
- - For those enrolled in a PhD programme or a Postgraduate School, the Authorization of the PhD / Master or Director of the School of Specialization is required.

ART. 3. GRANTS AND FINANCIAL BENEFITS

ART. 3.1 GENERAL ASPECTS

Grants for mobility are assigned exclusively for academic activities abroad (see Art. 5 "Activities Abroad and Learning Agreement") for a minimum period of 3 months (90 days) and a maximum period of 12 months during the "Erasmus Year": **01/06/2019 - 30/09/2020**.

Grants are provided by funding from the European Commission and integrated by MIUR (*Fondo Giovani*) and Sapienza funding. They are considered as a contribution to expenses abroad and are limited to the academic activities authorised before leaving.

In order to receive their mobility grants, students must sign, **before their departure**, the financial contract that is available on the selected students' personal web page and follow all the directions provided upon acceptance of the mobility period.

Moreover, Erasmus+ grants are directly connected to studies and/or other academic activities conducted at foreign universities that have been previously authorised by the Academic Programme Coordinator (RAM) as described in Art. 6.4 "Learning Agreement"). Therefore, students who do not obtain the recognition of at least **3 CFUs** by the end of their mobility period **will be required to partially or fully refund the MIUR grant**. This does not apply to PhD and Specialisation School students.

ART. 3.2 EU GRANTS

The EU Erasmus+ grant 2019-20 is based on the cost of living in the destination country. Mobility grants are defined at a national level and amount to:

- **Group 1 Countries** (Programme Countries with high living costs): Denmark, Finland, Iceland, Ireland, Lichtenstein, Luxembourg, Norway, Sweden, United Kingdom **300,00 €/month**.
- **Group 2 and 3 Countries** (Programme Countries with medium living costs): Austria, Belgium, Germany, France, Italy, Greece, Spain, Cyprus, Netherlands, Malta, Portugal, Bulgaria, Croatia, Czech Republic, Estonia, Latvia, Lithuania, Hungary, Poland, Romania, Slovakia, Slovenia, Former Yugoslav Republic of Macedonia, Turkey, Serbia: **250,00 €/month**.

The actual grant will be calculated on the effective days of the mobility period as certified by the host university in the certificate of attendance.

Erasmus grants are incompatible with grants from other programmes/actions funded by the European Union.

In the case that EU funds are depleted, or should students receive other university or EU grants, or if students do not require any funding, they may receive an "**Erasmus-Zero-EU-Grant**" status that will allow them to enjoy the benefits of the mobility period, without receiving a EU grant.

All Erasmus+ grants are however subject to the approval of Erasmus activities/funding as proposed by Sapienza for the Academic Year 2019-20 and Indire - the National Agency for Erasmus+.

ART. 3.3. MIUR AND SAPIENZA FUNDING

European grants for mobility periods (Art.3.2) are integrated by the following funds:

MIUR Grants (Fondo Giovani);

Sapienza Grants.

The MIUR "Fondo Giovani" Grant varies based on the ISEE Form for University Welfare Services (related to the academic year 2018-2019). **Both forms of additional funding are only allocated to those students who during the mobility period are no longer than one year "fuori corso."**

Hence, Sapienza (Board of Administrators Resolution N. 485/18 – 18/12/2018) has established the following monthly payments (including the EU Grant based on the destination country):

ISEE Beneficiary	Grant/Month
ISEE < 13.000	€ 900-850,00
13.000 - 21.000	€ 850-800,00
21.000 - 26.000	€ 800-750,00
26.000 - 30.000	€ 750-700,00
30.000 - 40.000	€ 600-550,00
40.000 - 50.000	€ 550-500,00
ISEE > 50.000	€ 500-450,00

In case of depletion of EU funding (EU zero grant), students will only receive MIUR and Sapienza grants.

ART. 3.4 ADDITIONAL FUNDING FOR DISABLED STUDENTS AND/OR STUDENTS WITH SPECIAL NEEDS

In order to allow a wider student participation in the mobility programme, Indire - the National Agency for Erasmus+ allocates grants intended to support disabled students and/or students with special needs.

Students must communicate their disability/special need both through their application form and upon acceptance, if they are assigned a mobility period.

The above-mentioned selected students will receive information about possible EU grants throughout the year at: <http://www.uniroma1.it/erasmus/studenti-students/erasmus-studenti-diversamente-abili>.

ART. 3.5 GRANTS FOR MOBILITY TO SWITZERLAND

The grant for the Academic Year 2019-20 SEMP mobility periods is provided by Swiss Universities. For further information, please consult the website of the relevant Swiss university.

It should be noted that SEMP students are not entitled to receive EU grants, including grants for special needs, whereas they are entitled to the additional Sapienza and MIUR grants (except as provided by Art. 3.3)

ISEE Beneficiary	Grant/Month
ISEE < 13.000	€ 600,00
13.000 - 21.000	€ 550,00
21.000 - 26.000	€ 500,00
26.000 - 30.000	€ 450,00
30.000 - 40.000	€ 300,00
40.000 - 50.000	€ 250,00
ISEE > 50.000	€ 200,00

ART. 3.6 ISEE FOR UNIVERSITY WELFARE SERVICES

In order to benefit from the above mentioned grants, students who did not declare their ISEE at the time of enrolment for the academic year 2018-2019 should consult their financial advisor, a CAF Centre or the INPS website (<http://servizi2.inps.it/servizi/Iseeriforma/home.aspx>) to obtain their **ISEE**.

ISEE data will be collected by Sapienza University directly from the INPS dedicated platform by **15/07/2019**.

If, at this date, there is no available ISEE 2019 data for Right to University Education, the student will be placed in the > **50.000 grant bracket ISEE** by default.

ART. 3.7 DOCUMENT COMPLIANCE

Documents concerning the mobility period will be checked by the International Office – Erasmus Sector.

If the provided documentation is not correct, students will be required to partially or fully reimburse allocated grants.

ART. 3.8 TAXATION OF THE ERASMUS + GRANT

Under Article 1, paragraph 50, Law No 208 - 28.12.2015, grants for international mobility are subject to the exemptions provided by Article 1, paragraph 3, Decree-Law N. 105 - 9 May 2003, converted with amendments into Law N. 170 - 11 July 2003, except further amendments.

ART. 4. AVAILABLE DESTINATIONS AND PLACES

The following table lists all the institutions with which Sapienza University has Erasmus+ mobility agreements, the number of available places, the mobility period and application requisites.

Please note: Available mobility destinations and places may be subject to modifications based on the decisions of EU and national bodies or partner universities regulating the programme.

Therefore, we advise students to autonomously verify the possibility of studying abroad by checking course catalogues of the host institutions before applying. A dedicated Erasmus+ Agreement search engine is available at: <https://relint.uniroma1.it/mobilitysearch>

The **length of the mobility period** indicated in the agreement may be shortened, if the student completes a shorter mobility period or decides to leave during the second semester. Moreover, for students who have enjoyed previous mobility periods the maximum stay will be calculated on the basis of

remaining months with respect to the 12-month limit per cycle of study and the 24-month limit for single-cycle degrees, following the consent of the host university.

In selecting the host university, students must take note of the required language level (see Art. 2.3.2).

The student can apply for a minimum of 1 to a maximum of 2 destinations: **a first choice** and **a second choice**.

We will proceed to draw up a list of merit based on the first choice. The vacant seats (seats) not allocated will be subject to a further ranking of merit, which will exclusively concern the second choices of the only reserve candidates.

In the choice of Partner Institutions students will have to take into account the consistency between the study programme that is to be carried out at the foreign University and the study area of the advertised institution. In this regard, we inform you that the forms called "Learning Agreement" and "Change Form", to be prepared respectively before the departure and during the Erasmus period, must categorically contain at least 12 credits in the study area of the assigned institution.

Students can select a minimum of 1 to a maximum of 2 destinations. **The priority order stated in the application will be a binding criterion** for the assignment of the destination if the candidate is eligible for more than one destination.

Please note that it is NOT possible to guarantee departure during the 1st semester for destinations whose deadline is close to the date specified in Art 14 "END OF PROCEDURE" for publication of the selection results.

It will NOT be possible to depart during the 1st semester, but only in the 2nd semester.

- eligibility and exams must be recorded in the Infostud information system. Qualifications and / or exemptions which - in some degree programs - are in itinere non-verbalised tests that contribute to passing an exam, but are not recorded in the information system, cannot be considered valid;
- credits obtained as validation of exams taken abroad in the context of mobility programmes.

These are not valid for the purpose of calculating merit:

- the credits obtained with the support of extracurricular exams. art. 6 of the R.D. n. 1269/38 (art.42 manifesto of studies a.a. 2017-18);
- the credits obtained with the support of single courses (Article 41 manifesto of the academic year 2017-18);

Please Note: the following exams do not count for the calculation of the GPA and acquired CFUs:

Exams taken abroad during Erasmus periods that have not yet been officialised as they refer to exams still in the process of being validated;

Extracurricular exams (former Art. 6 - Regio Decreto N. 1269/38) as they do not count for CFUs necessary for degree and are not used to calculate GPA;

Exams for single courses that have not been recognised as part of the degree programme (Bachelors, Masters, Single Cycle) for which the student is currently enrolled;

Exams cancelled due to lack of prerequisites;

Exams declared to have been taken, but which were only booked and not taken or, not even booked.

In assigning mobility periods, in case of identical scores, priority will be given to students who have not had a prior Erasmus experience for study and placement/traineeship. If this is not decisive, the Commission will assign the place available to the younger student with equal merit.

The Commission will produce a ranking of candidates based on the above-mentioned criteria and publish the provisional ranking at <https://web.uniroma1.it/trasparenza>

The ranking will be considered final when, 10 natural and consecutive days after its publication, no re-evaluation requests are at the Erasmus Faculty Office, edificio Lettere e Filosofia, P.le Aldo Moro n. 5.

The final ranking will be published on the Faculty site at: <https://web.uniroma1.it/trasparenza>

ART. 7.2 GRANT ACCEPTANCE

Ten days after the rankings have been published, selected candidates have 7 more days to accept their grants.

Candidates who do not respect this deadline will be excluded.

The final allocation of an Erasmus+ mobility grant requires:

Approval of the Learning Agreement

Signature and upload to the student's personal page of the Financial Agreement between the student and Sapienza, following the directions provided when the mobility grant is assigned.

Presence in the final ranking does not automatically mean the student will enjoy the mobility period, as this depends on the background check conducted by the Faculty and host university on requirements and pre-requisites.

Please note: the student's mobility is subject to acceptance by the foreign Institution (i.e., academic curriculum, language skills) which may require further certificates or reject the application on the basis of regulations that are not specified in the inter-institutional agreement signed with the partner University.

ART. 7.3 REFUSAL OF THE MOBILITY GRANT AND REPLACEMENT

The acceptance of the mobility grant is a serious commitment by the candidate. Hence, selected candidates are expected to limit refusals, after accepting grants or at the beginning of the mobility period, on account of serious and proven matters of force majeure, which must be communicated in writing and duly justified to allow replacement by the first reserve candidate.

ART. 8 LEARNING AGREEMENT

All students who have accepted their assigned destination must complete an official Learning Agreement (L.A.).

The L.A. is a document that is prepared before departure and defines the academic activities that will be completed abroad (exams, thesis research).

The L.A. must be approved by the Academic Mobility Coordinator (RAM – List available at <https://www.uniroma1.it/it/pagina/coordinatori-e-responsabili-accademici-mobilita-internazionale-0>) and signed by the student and the host Institution to ensure the recognition of credits taken abroad for successful exams/thesis.

Students must fill out their L.A. on their personal webpage at: <https://relint.uniroma1.it/pp2013/login.aspx>.

The completion and approval of the Learning Agreement is mandatory and binding to enjoy your mobility period. Failure to do so will cause your exclusion.

ART. 9 ONLINE LINGUISTIC SUPPORT AND EU SURVEY

ART. 9.1 ONLINE LINGUISTIC SUPPORT (OLS)

The Erasmus+ Programme requires **selected candidates to take an on-line language skills assessment, both before and after the mobility period**, if the language used abroad and indicated in the Learning Agreement is one of the following: Bulgarian, Czech, Croatian, Danish, Dutch, English, Finnish, French, Hungarian, German, Greek, Polish, Portuguese, Rumanian, Slovakian, Spanish and Swedish, except students who are assigned a mobility period to Switzerland.

On the basis of the result in the assessment test, the student may receive a licence for an on-line preparatory language course for the mobility period.

Procedures concerning the language test will be communicated directly to the student at the email address provided on the application form.

ART. 9.2 EU SURVEY

At the end of the mobility period, students (with the exception of students assigned a mobility period Switzerland) must complete their EU SURVEY.

Information concerning the procedures to be followed will be sent directly to the email address used by the student on the application form.

ART. 10 RECOGNITION OF ACADEMIC ACTIVITIES

Under the "Rules for Student Mobility and Recognition of Study Periods and Training Abroad" R.D. N. 34218 - 13.05.2015 and in the framework of the EU Erasmus+ Programme, Sapienza students have the opportunity to enjoy a mobility period and have all exams recognised and included in their official transcripts.

ART. 11 PROCEDURES AND LOGISTICS

In order to prepare their curricular project at the host university, students should carefully examine all available information on the university websites before applying. In fact, this information is binding for receiving the mobility grant.

For their degree, PhD or Specialisation thesis work, after having consulted the website of the host university, students must agree on the project with their Italian supervisor and Academic Mobility Coordinator, based on the agreement with the partner professor at the host university.

At the end of their courses, Erasmus students must take the planned exams following the programmes and procedures provided for students of the host university. Academic activities will be recognized as indicated by the Faculty and the "Rules for Student Mobility and Recognition of Study Periods and Training Abroad". Credits for exams taken at host universities must be acquired respecting all the rules and regulations of degree programme curricula.

Usually, foreign universities do not provide student housing for Erasmus students. Housing information is available on the websites of partner universities. Students should check any deadlines or specific procedures that must be followed.

Moreover, students must autonomously acquire information regarding:

Health Assistance in the host country, requesting information from their local health office, diplomatic missions or at the following link: http://www.salute.gov.it/portale/temi/p2_6.jsp?lingua=italiano&id=897&area=Assistenza%20sanitaria&menu=italiani

Entrance into the host country, checking for requirements with embassies and consulates (in Italy for non-EU citizens).

Laws regulating the entrance of non-EU students in countries participating in the Erasmus+ Programme are based on the nationality of these students. Student are responsible for promptly obtaining information and all the documents needed to be admitted and allowed to sojourn in the destination country from the relevant diplomatic missions.

The civil responsibility and accident insurance coverage that students enjoy automatically when enrolled at Sapienza is extended with the same procedures for the entire mobility period abroad at the host university: <https://www.uniroma1.it/it/node/24654>

Students on mobility periods must:

- a) autonomously procure their own health and travel insurance for the entire stay abroad, as per the host country's requirements;
- b) autonomously acquire information about possible laws regulating admission to the host country, by timely inquiring at the relevant diplomatic missions (embassies and consulates) in Italy.

Please note: the information contained in this call may undergo changes and/or integrations based on further updates and regulations required by the Erasmus+ National Agency.

ART. 13 CHECKS

As per Art. 71 - DPR 445 - 28/12/2000, the university administration will verify all application information through random checks on any application that poses reasonable doubts on the information provided through self-certifications.

Non-compliance of information, either declared or self-certified, constitutes a cause of exclusion/forfeiture.
