

Rome 10 January 2019

Dear Prof. A. Piatnitskiy,

I would like to invite you to give a seminar at my Department on your results concerning stochastic homogenization. The seminar would be important for the development of the research project PRIN 2015 “Large Scale Random Structures” of which I am local coordinator.

According to our seminar schedule, the best day would be Tuesday 29 January 2019. We can pay you for giving the seminar the amount of 155.00 euros (tax included)

With best regards

Prof. Alessandra Faggionato
