SAPIENZA
UNIVERSITÀ DI ROMA

Roma, March 28

Dear Marielle,

I am pleased to invite you at the Mathematics Department in Rome La Sapienza, in order to continue our scientific research activity on macroscopic scattering by a Langevin bath in contact with an harmonic chain. The scheduled period is June 14-21. Moreover, my colleagues and I would be glad if you gave a seminar on Wednesday 19. The fee will be 155 euro, gross.

Best regards

Giada Basile
