Rome, 20 August 2019

Dear Dr. Lorenzo Taggi,

I would like to invite you to give a seminar at the Department of Mathematics of University La Sapienza in Rome. In particular, being a topic covered by the research project "Fondo ateneo 2016" coordinated by Nadia Ansini, we would be very pleased if the seminar could be on activated random walks.

The best for me and my colleagues would be to have the seminar on 01.10.19. We can pay you for the seminar an amount of around 155 euros (tax included).

Wishing to see you in Rome soon,

Prof.ssa Alessandra Faggionato
